EXPERIENCE

United Parcel Service (UPS)

Data Analyst Intern - Rating Automation Healthcare Team

Atlanta, GA

June 2024 - August 2024

- Utilized Autoregressive Integrated Moving Average (ARIMA) time series forecasting while engineering a Machine Learning model to predict 18 months of UPS Healthcare logistics, transportation, and warehouse revenue, increasing current prediction accuracy by 10%
- Aggregated and analyzed 10,000+ rows of data to create multiple interactive Microsoft Power BI dashboards, highlighting trends in revenue composition, invoice statuses, and service type revenue to enhance data accessibility for UPS Healthcare
- Streamlined the invoicing process by transitioning dashboards into UPS-wide Rating Automation application, improving efficiency in extracting and analyzing over 25 tables of data and accuracy in data management for healthcare invoicing

Octave Holdings and Investments

Commercial Real Estate Researcher

Alpharetta, GA

June 2022 - August 2022

- Analyzed valuations of over 20 buildings across more than 5 southern US states over a three-year period, utilizing property valuations and market comparables to assess building values, potential occupancy rates and rental revenue
- Assessed the effects of COVID-19 on commercial real estate valuations across 2019-2022, providing strategic rebound and liquidity insights that contributed to a 33% increase in valuation for key retail properties and a 10% increase in occupancy rate by 2022
- Forecasted post-pandemic real estate trends for three metro Atlanta markets using CoStar Market Comparable data, specifically targeting retail and medical sectors to enhance investment strategies and market stability

Ukraine Mental Help Consultation (UAMH)

Project Consultant

Atlanta, GA

September 2023 - December 2023

- Collaborated with UAMH's founder and director of Finance to implement a comprehensive 4-prong strategy focused on improving their personal and digital presence, resulting in a 10% increase in social media followers and a 65.5% open rate for impact newsletters
- Optimized UAMH's website, facilitating migration to a new platform, and introduced new technologies for lead generation and CRM, leading to 20% increase in consultations
- Provided actionable recommendations and strategic direction for UAMH's communication and fundraising efforts, resulting in a 40% increase in staff onboarding, and a 25% increase in social media engagement

LEADERSHIP

ISYE 3030 - Basic Statistical Methods

Teaching Assistant

Atlanta, GA

January 2024 - May 2024

- Coordinated and Published weekly homework assignments, communicated due dates, and posted solutions; graded select problems and uploaded grades for a section of 50 students
- Served as a liaison to the professor, managing the course's online forum, providing timely and accurate responses to student inquiries, and escalating complex questions for clarification
- Assisted in teaching fundamental statistical concepts, data analysis techniques, and applications in various fields, requiring proficiency in R for data manipulation, visualization, and statistical modeling
